

ABDELRHMAN ELNHAS

FRONTEND DEVELOPER

[VIEW MY PORTFOLIO](#)

PROFESSIONAL SUMMARY

Frontend Software Engineer with extensive experience in crafting dynamic, interactive user interfaces using Vanilla JavaScript and React JS. Possesses a solid background in Graphic Design and UI/UX Design, merging creativity with technical expertise. Proficient in core Backend Development concepts, offering a holistic understanding of the project lifecycle. A results-driven professional with a profound passion for technology and a commitment to programming excellence.

EXPERIENCE

FRONTEND ENGINEER

Ultra Progress | Oct 2023 - Sep 2024

- Led the web development team, ensuring seamless frontend and backend integration per client requirements, while assisting in code configuration and troubleshooting.
- Engineered high-performance, scalable web applications using React JS.
- Developed websites with Vanilla JavaScript and contributed to backend development using PHP (Laravel).
- Enhanced web and mobile UI/UX with Figma, Adobe Illustrator, and Photoshop.

FRONTEND DEVELOPER

Master Code | Apr 2021 - Aug 2023

- Developed multiple websites with Vanilla JavaScript and contributed to backend integration using PHP (Laravel).
- Refactored and debugged React code in various web applications, resolving issues related to API functionality.
- Elevated web and mobile UI/UX using Figma, Adobe Illustrator, and Photoshop.
